

Visiting Chef Program

Our families consistently say that heart-made meals prepared by our volunteers make them feel more like being at home than anything else we offer. We treasure the Visiting Chef Program and are so grateful that you are interested in helping!

Dinner Groups

We like to serve dinner at 6pm, but you may begin preparations anytime after 1pm.

For dinner, please provide a protein, a vegetable, a starch, drinks, and dessert.

Breakfast Groups

Breakfast groups should arrive at 9am, no earlier, and plan to serve at 10am.

How to Sign up

To schedule a date, call Judy Bates, our Visiting Chef Program Coordinator at **352-219-6504**, Monday-Friday 9am-5pm

Important Reminders

1. The House provides plates, napkins, utensils, and disposable gloves (to wear while preparing and serving food).
2. Please limit your group size to 10 people.
3. The general policy that all Ronald McDonald Houses must follow is not to call for prayer of any type or audibly bless the food when families are present.
4. You are welcome to eat too, but plan enough food for your group plus 50 guests.
5. While 50 may not actually sit down for dinner, many of our families rely on the leftovers.
6. No alcohol is permitted on our property
7. Smoking is limited to our smokers' porch outside the back entrance.
